PREFACE

This volume contains 109 Tables relating to Demography and Vital Statistics of Madras State. They were compiled during the preparation of our volume Part I-B (i) on Demography and Vital Statistics. It is presumed that the data published in this volume will be of use to the Demographers and Research Students.

I am grateful to Sri K. E. Vaidyanathan who took great pains in preparing these tables. I must also express my gratitude to the State Directorate of Public Health for the valuable assistance given by them in the preparation of the statements.
